

THE CHURCH OF
JESUS CHRIST
OF LATTER-DAY SAINTS

CALL FOR EXPRESSION OF INTEREST

PROVISION OF CONSULTANCY SERVICES TO CONDUCT END OF PROJECT EVALUATION FOR EMERGENCY FOOD ASSISTANCE IN NAKIVALE REFUGEE SETTLEMENT ISINGIRO DISTRICT, SOUTHWESTERN REGION.

CARE International is a humanitarian non-governmental organization committed to working with poor women, men, boys, girls, communities, and institutions to have a significant impact on the underlying causes of poverty. CARE seeks to contribute to Economic and Social Transformation, unleashing the power of the most vulnerable women and girls. CARE International in Uganda secured a One-year funding from the Church of Jesus Christ of Latter-Day Saints to improve the immediate food security of the vulnerable new arrivals in Nakivale Refugee settlement, Southwestern region of Uganda. The project started on 15th November 2023 and will end on 31st October 2024. The project provided food assistance using food vouchers. The provision of the Food Voucher system was defined by a minimum expenditure basket required for at least a period of 3 months per household comprised of 5 people. Since 2019 to date this MEB has been calculated at approximately 308,000 Uganda shillings (\$83) per household per month. However, after distributing food assistance to half of the originally planned numbers, a project modification was sought to include households of sizes 4, 3 and 2 members. After the modification, households of size 5 and above received food vouchers worthy UGX 316,100, size 4 received food vouchers worthy UGX 252,880, size 3 received food vouchers worthy UGX 189,660 and size 2 received food vouchers worthy UGX 126,440. Food vouchers were redeemed in real time using the pre-qualified vendors who provide them with food items including Rice, Posho, Beans, Salt and Cooking Oil equivalent to the voucher value.

The project outcome is contributing to the overall food security outcome of improved access to adequate nutritious food for refugees and asylum seekers.

With recommendation from the Office of the Prime Minister (OPM), a few old caseloads of the refugees were also served with food assistance.

The project is implemented in partnership with Andre Foods International, a National NGO and Tumaini for Refugee Women, a Refugee Led Organization.

CARE is therefore seeking consultants to conduct an end of project evaluation. Interested individuals/firms should provide information demonstrating that they are eligible and possess the required qualifications to perform the services, supported with relevant documentation. The shortlisting criteria will include: Copy of Certificate of Incorporation (for only firms), Copy of Trading license (for only firms), Evidence of registration (for firms), Consultant competencies, qualification, and experience of key personnel, Evidence of availability of appropriate qualifications, personnel and key staff that will constitute the team, certificates of completion of similar assignments in the past 12 months, Audited accounts for the last completed year (for only firms), Tax certificate for the last completed year (for only firms).
